

Downtown Shuttle Service

Friday & Saturdays | 6pm -10pm

Trolley Stops:

1. 400 Caroline Street VRE Lot B/Train Station
2. Corner of Caroline and Charlotte streets (across from the Visitor Center and near the garage — where hundreds of parking spaces are typically available at the time of the shuttle service)
3. Corner of Caroline and William streets (near Sophia Street parking)
4. Corner of Barton and William streets (at parking lot across from former Free Lance-Star headquarters)
5. Corner of William and Prince Edward streets (near Hurkamp Park and Charles Street parking lot)
6. Corner of Princess Anne and George streets (near after-hours parking lot behind 904 Princess Anne

People will be able to ride a Trolley Tours of Fredericksburg shuttle on a roughly 1.65-mile, 20-minute downtown loop covering parts of Caroline Street, Amelia Street, Washington Avenue, William Street, Princess Anne Street and Lafayette Boulevard. The service will be offered in June, July and August — the peak of Fredericksburg’s tourism season — on every Friday and Saturday evening with the exception of First Fridays, when the Fredericksburg Arts Commission already offers a downtown shuttle. The first night of the service will be Saturday, June 2. The City will evaluate whether to continue offering the service at the conclusion of the three months based on ridership demand. If you have any questions, please call the Visitor Center at 540-373-1776.
