

## **VIRGINIA VAN START PROGRAM FOR NEW VANPOOLS**

---

The Virginia Van Start program for new vanpools is designed to provide impetus for new vanpool formations. The program temporarily subsidizes empty seats during the critical start up phase of new vanpools. The program is open to all new vanpools who register for assistance with a local home based Rideshare Program. Assistance is granted at the discretion of the local Ridesharing organization based on the eligibility of the applicant and the demonstrated aggressiveness in recruiting passengers.

### ***Van Start Program Eligibility Requirements***

1. The vanpool must register with a State recognized Rideshare Program.
2. The van must be equipped with PV plates if available (a copy of the application must be attached) and must be properly registered with the local jurisdiction.
3. The vanpool must be in its first three months of operation.
4. The owner/operator must certify that the van is appropriately insured under a Commercial Auto Policy or a member of the Advantage program, a self insurance pool for Virginia vans.
5. The owner/operator must demonstrate that at least 50% of the passenger capacity is full by supplying the Rideshare Manager with the names and telephone numbers of existing passengers for verification.
6. The vanpool must demonstrate continuous aggressive recruiting for new passengers (i.e. posters at workplaces, newspaper advertisements, etc.). Assistance will be provided by the local home based Rideshare Program where the vanpool is registered.
7. Additional eligibility, monitoring, or administrative guidelines may be set by the local home based Rideshare organization.
8. A vanpool owner/operator may not apply for assistance if 50% or more of the total riders have been in another vanpool which received Van Start or Van Save money in the past 12 months.

## GUIDELINES FOR VAN START ASSISTANCE PROGRAM

---

1. Eligible vanpools may receive cash subsidies up to the following maximums:

The assistance will be based on the average cost per passenger seat, excluding the driver, for all vanpools registered in the database operating within comparable distance parameters and market factors.
3. The assistance will be granted only once per new vehicle according to the passenger list and the vanpool information, i.e. origin and destination.
4. The vanpool must submit a passenger list with an authorized signature for each eligible month to the Rideshare Office to attest to the number of vacant seats.
5. Multiple van owner/operators may apply for assistance for a maximum of 5 vans, once within a 12 month period.
